Greetings in Christ's Name,

It is hard to believe that Steven and Theresa have already been in Mexico for a year of ministry. My hope is that you have been keeping up to date with the ministry through the email newsletters, and now more recently, through the new website and blog entries. If not, please follow the instructions that Steven has given, so that you can remain up to date with their work.

There are many possible ministry opportunities for Steven and Theresa, and they need to hold these things in prayer in order to be able to respond correctly to those to which Christ is directing them. Please pray for them as they seek to discern God's will for the direction that the ministry should take, and exactly what their involvement in this should be. We are still waiting for God to finalize plans for the Bible and Vocational Schools. This also needs your prayer.

Often missionaries are reluctant to speak about their financial needs. While this is admirable in many ways, indicating that they do not want to beg or place pressure on people for money, none-the-less, there still are financial needs related to any ministry. Part of my commitment to Steven and Theresa is to talk about the finances of the ministry on their behalf. With this in mind, I will clarify how the finances of *Voice in the Wilderness Ministries* function.

VitW Ministries is one of the mission outreaches of Newsong Church, and all of the U.S. finances for its ministry are received and accounted for through Newsong Church in Grove, Oklahoma. For this reason checks must always be made payable to **Newsong Church**. We then spend the money as designated by the donors.

Would you please consider joining with Steven and Theresa by committing to supporting the work of *Voice in the Wilderness Ministries* on a monthly basis? We all recognize that ministry of any sort takes money. This is true even in Mexico. With your faithful support over the past year we have seen the ministry move forward in Mexico. For this to continue, we need faithful friends who will give to the ongoing needs of the work.

It is obvious that as Steven and Theresa participate with the local church by helping to minister in village churches such as Las Pitás, or as they travel to villages with the "Evangelism Explosion" film ministry, or when they teach English classes in the vocational school, or function in the many other aspects of the

work, there are always expenses involved. We desire to see committed monthly support, so that as Steven and Theresa continue to work along side pastors Ezequiel and Veronica in Cd. Valles, they will not need to be concerned about finances, but rather, will be able to give themselves fully to the ministry.

We also realize that Steven and Theresa will continue to find themselves in many situations where they will be called upon to minister the love of Christ in a variety of ways, and that there will be financial expenses, as well as time commitment costs attached to this love and care. We always want to be ready and able to assist them in this expression of generosity and love to the Mexican people.

If you desire to assist in the work of *Voice in the Wilderness Ministries* in Mexico, please follow the directions below:
